

INSTRUCTIONS FOR GENIE REFERRAL FORM

SA Infusion Services is excited to announce that we have worked closely with the IT team at **Genie Clinical Software** to create a **fillable referral form which can easily be completed within Genie itself!**

1. Within Genie, navigate to the top panel and click “Special”. In the drop-down menu that will show up, click “Software Updates”, then click “Forms” and finally click “New”

2. In this Software Updates window, scroll down to “SA Infusion Services Referral Form” and **tick the checkbox** in that row

3. Once the checkbox is ticked, click the “Import 1 item” button at the bottom of the window

The screenshot shows a software interface for managing referrals. At the top, a navigation bar reads "Referral" and "SA Central Intake Unit Referrals". Below this is a list of referral forms, each with a checkbox column. The first item, "SA Infusions Services Referral Form", has its checkbox checked and is highlighted with a red box. The other items in the list are: "Seer Medical Referral Form", "Shout Hearing Healthcare Audiology Referral", "Silver Chain", "Silver Chain Referral Transfer Form", "Sleep Apnia Diagnostic Referral", "Sleep Assessment Referral Form", "Sleep ResMed Referral form", "Sleep Study Referral", "Sleep Study Referral NEW - Healthy Sleep & Snore Australia", "Sleep Testing Australia In Home Sleep Test", "Snore Aust Sleep Study Referral", and "Specialist Eligibility Form SEF". At the bottom left is a "Close" button, and at the bottom right is a "Import 1 item" button, which is also highlighted with a red box.
